

Bayreuth Festival 2023

Ticket Information

Here are several options for obtaining Bayreuth tickets for 2023:

1. [The Wagner Society of New York](#) (WSNY) offers members exclusive opportunities to apply for Bayreuth Festival tickets, which are reserved for current members in at least the regular or dual member categories and are subject to availability. If you are interested in obtaining tickets for the 2023 Bayreuth Festival through the WSNY, please send an email to info@wagnersocietyny.org. Be sure to include your contact information (phone, email, and mailing address), as well as any price or date preferences and the number of sets of tickets requested. As of this writing, WSNY does not have information on the number of tickets and dates that will be allocated to it. The Society will follow up with those who have expressed interest when more information is available. First priority will be given to members who have not received tickets recently and next by order of receipt of application. A contribution equal to 15% of the ticket price will be added to the cost.
2. The Boston Wagner Society offers members the opportunity to request tickets no later than January 25, 2023. For more information send an email to info@bostonwagnersociety.org. Indicate the dates in which you are interested and the approximate price category. Keep in mind that although you may not receive tickets to all of the performances that you requested, you are required to accept the tickets.
3. The Wagner Society of Washington DC will make tickets available to members. The Society will offer a package of tickets for performances of six operas during the week of Sunday, August 20 to Saturday, August 26. The six operas include: the Jay Schieb *Parsifal* production; the Valentin Schwarz *Ring Cycle*; and Tobias Kratzer's *Tannhauser*. Cast lists and other information about the productions is available on the [Festival website](#).

In order to be considered for tickets, register [here](#) as soon as possible and no later than February 28, 2023. The registration is not binding and does not require a commitment until the offer for a specific set of tickets is issued. The date of registration may affect fulfillment of the request.

The Festival box office will let the Society know by April 15 how many tickets can be made available to members. At that point, member requests will be filled in the order of receipt, with priority given based on years of membership in the Wagner Society of Washington DC and level of financial support.

Information about ticket pricing and other details are available [here](#).

4. If you are a member of the [Gesellschaft der Freunde von Bayreuth](#), you will receive their full information on the Festival with order forms. The Bayreuther Festspiele sent direct order documents from the ticket office (Kartenbüro) at the end of 2022. In the past, it was possible to purchase a maximum of four tickets per opera for a total of 12 tickets. Tickets from the ticket office usually require a multi-year wait, so you are unlikely to receive a ticket allocation through the Bayreuth ticket office in your first year of application

5. During the past few years, a number of Bayreuth Festival tickets have been available through immediate online sale in a process separate from the ticket office orders described above. [Online ordering will begin in May 2023](#), and popular productions are likely to sell out very quickly.
